

# Year 10 Expressive Arts Trip to London 2019

## Spending Money:

Students are expected to have enough money to pay for midday and evening meals on the Friday, Saturday and a further midday meal on the Sunday will also need to be funded. Our experience is that £40 will cover the cost of these 5 meals. Please bring along a drink bottle to keep topped up throughout the weekend.

Of course, this does not take into account the shopping element. Families need to make their own judgement on this one. There will be opportunities throughout the weekend for students to have free time to buy food and look around the shops.

A hearty packed lunch is required on Friday. This will need to see your child through to 5.00pm.

If your child is in receipt of free school meals, a packed lunch will be provided by our canteen for the Friday only.
