HELPFUL INFORMATION, GUIDANCE, SUPPORT AND ADVICE FOR PARENTS

The Parent Partnership group allows parents/carers to meet informally with other parents and senior staff to discuss a range of school issues both big and small. We provide a number of sessions at the start of each year to help parents and carers who are new to Park (but we welcome ‘old hands’ too).

The transition from Primary to Secondary can be daunting for students and their parents /carers so we want to do all we can to make this transition as smooth as possible. Moving to Park can be a vast leap for the students but also for parents/carers who sometimes feel powerless and unprepared for all of these changes.

If you are keen to be more involved in fund raising for the school, you may want to join the Friends of Park. However, at the Parent Partnership group we will meet over tea and coffee for the sessions overleaf and at the following times throughout the year.
