5.2 Previously looked after children are registered children that fall into either of these categories:

  - Ceased to be in that state care, as a result of being adopted

5.3 **Personal Education Plan (PEP)** is part of a looked after/previously looked after child's care plan, that is developed with the school. It forms a record of what needs to happen and who will make it happen, to ensure the child reaches their full potential.

5.4 **Virtual School Head (VSH)** is a local authority officer responsible for promoting the educational achievement of their authority's looked after/previously looked after children, working across schools to monitor and support these children, as if they were in a single school.     - There is an agreed process for how the school works in partnership with the child's carer and other professionals, such as their social worker, in order to review and develop educational progress.
    - School policies are communicated to their carer and social worker and, where appropriate, birth parents.
    - Teachers know the most appropriate person to contact, where necessary, such as who has the authority to sign permission slips.
- Where a looked-after child is at risk of exclusion:
    - Contact the VSH, as soon as possible, so they can help the school decide how to support the child to improve their behaviour and avoid exclusion becoming necessary.
    - Working with the VSH and child's carers, consider what additional assessment and support needs to be put in place to address the causes of the child's behaviour.
- Where a previously looked after child is at risk of exclusion, talk to the child's parents or guardians before seeking advice from the VSH on avoiding exclusion.
